

**The School District of Pickens County**  
**2018 Summer STEM + C<sup>3</sup> Camp**  
**Forest Acres Elementary School, 401 McAlister Road, Easley, SC 29642**  
**June 18 – 21, 2018**

The Eighth annual **STEM + C<sup>3</sup> Camp** will focus on **Coding, Creativity and Careers**. The first part of the morning session will focus on engineering with Lego Robotics, and the second half will focus on Creativity and computer science.

**STEM + C3 Introductory Camp: (Gr K-1)** Using LEGO WeDo 2.0 students will create something different each day. Students will build and learn to program a cooling fan, a race car, a helicopter, a recycling truck and even a science rover! Students in K-1 will gain creative experiences in coding and higher-level thinking skills. They will increase confidence in coding knowledge and explore their own innovative ideas.

**STEM + C3 Intermediate Camp: (Gr 2-3)** Students will learn to build a basic EV3 robot. Each day of camp the students will learn how to program the sensors, determine the distance and complete different mazes. On the final day the students will complete a maze full of obstacles. Students choose from a variety of coding options. Hour of Code activities include: Compute It, Code Combat, Anna & Elsa, Minecraft, and many more. Languages: Python, Scratch, Snap!, and Java.

**STEM + C3 Advanced Camp: (Gr 4-5)** Campers will have a chance to sharpen design and engineering skills with EV3 Lego Robotics in the first session each day. In our late session each morning, campers will have time to get creative with coding in our computer science activities.
