"Emoji" the Possibilities!!

Title I Summer
Math Camp 2018!

The School District of Pickens County is excited to offer the Title I Math Summer Camp, "Emojin the Possibilities!". Liberty Elementary School will be hosting the Math Camp, offering slots to current students in grades K5, 1st, 2nd, 3rd, 4th, and 5th who attend Title I Schools in the district.

Each student will experience hands-on math and technology, keeping students on their toes for three additional weeks of exciting instruction. Academically speaking, students in past years have made outstanding gains during the program.

Math is fun and active! We will explore math using a variety of hands-on math activities designed to develop math thinking skills, problem solving abilities, and a deeper understanding of the "why" and "how" of math.

We will focus on "all the feels" of how math can open up many possibilities for your child's future.

Eager—I want to try!

Meaningful—I understand why!

Open—I can be successful!

Jammin' - Math is FUN!

Inquisitive—I will ask questions!

Creative and highly qualified teachers are offering exciting, innovative ways to engage your child through standards based activities! You do not want your child to miss this experience!!!

MATH CAMP DATES

June 11 - 28, 2018

Monday - Thursday

Hours: 8:00am to 1:30pm

***Breakfast and lunch provided daily
for all students enrolled.**

Parents, You Are Invited!
