

SDPC-Visitor

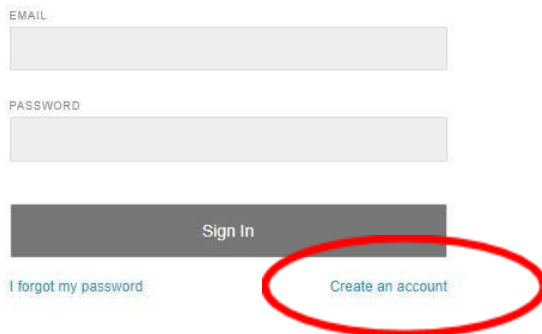

In order to use SDPC-Visitor for the first time, you must create an account. There is a **10-minute window** of time to login to the email address used and click on the link sent to activate the account. Without completing these steps, users will lose internet access.

SDPC Login Information for PC Devices

1. Open up the Wifi settings and Choose **SDPC-Visitor** > Click Connect

****If you have created an account before, please use that email and password. You do NOT need to create a new account.**

2. Create an account using an email address that can be easily accessed.

3. Check the email provided and click on the link sent to complete the activation process. You are now able to access the internet.

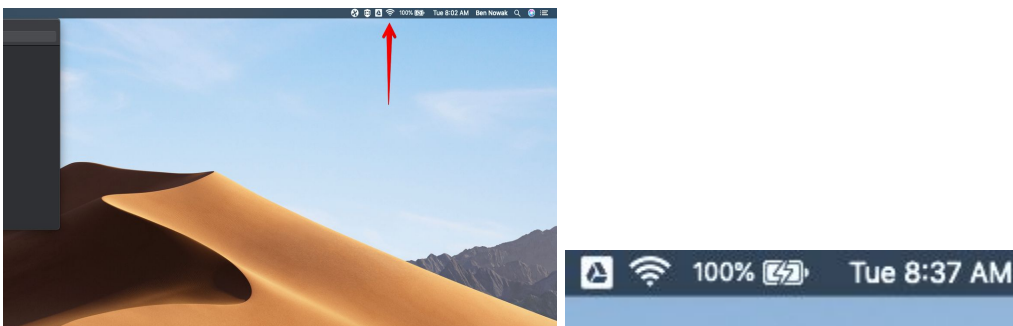

Note: This registration process only takes place one time. After this, users will log in with the email and password created.

SDPC Login Information for Mac Devices

SDPC-Visitor

In order to use SDPC-Visitor for the first time, you must create an account. There is a 10-minute window of time to login to the email address used and click on the link sent to activate the account. Without completing these steps, users will lose internet access.

1. On the top right corner of the screen choose the wifi icon

2. Choose "SDPC_Vistor"

3. Enter the Network Name **SDPC-Visitor**, Security **none** and Click Join.

4. A window will pop up asking for login credentials. Click "Create An Account"

A screenshot of a login form. It has two input fields labeled 'EMAIL' and 'PASSWORD'. Below the fields is a 'Sign In' button. At the bottom left, there is a link 'I forgot my password'. At the bottom right, there is a link 'Create an account' which is circled in red.

5. Fill out the form and submit

A screenshot of a registration form titled 'Welcome to SDPC-Visitor'. The form has a heading 'If you don't have an account yet, complete this form:' followed by several input fields: 'NAME', 'EMAIL', 'EMAIL (AGAIN)', 'PASSWORD', and 'PASSWORD (AGAIN)'. At the bottom of the form is a 'Create new account' button. The window title is 'Join "SDPC-Visitor"' and the address bar shows 'n21.network-auth.com'.

6. Once your account is created you will accept the link in the email that is sent to the account that is registered.
